men.com

Since 1988 The Flowerpot Men have strived to provide the finest service and quality in interior plantscaping. Today we rank as one of Ireland's most progressive suppliers of fresh and silk plant displays. As members of the National Guild of Master Craftsmen, we have a proven track record in maintaining high standards of customer care, product quality and presentation.

We have established ourselves as maintenance contractors and plantscape suppliers to some of Ireland's top companies. The client list includes financial institutions, top computer firms, department stores, hotels, restaurants, bars and office blocks.

- Interior & Exterior Design Consultancy
- Specialists in Rental & Maintenance Contracts
- Fresh & Silk Plant Displays
- Plantscapes for Sale or Rental
- FREE Delivery
- Uniformed Staff

We import top quality fresh plants direct from Holland, beautiful silk plants from Asia and carry an extensive range of ceramic or terracotta pots and window planters.

We pride ourselves on our professionalism and offer a full interior design facility to create the right environment for your office.

We'll Create the *Perfect Environment* for you...
